

Training Subcommittee Meeting Notes

November 9, 2006

Members Present: Tom Morgan, Chris Kennehan, Bob Jaros, Clark Bolser, Harry McCabe, Tara Larwick, Joi Simpson

Bob Jaros explained the new contracting process and the timing for implementation of the new process.

- Implementation March 1, 2007
- Risk based no \$50,000 threshold
- Training needs to be delivered to agency personnel before the March deadline

The committee discussed amount of training needed, location and possible content of the training sessions.

- Overview of the transition process and introduction
- Why good for departments (what's in it for them)
- Risk assessment
- What's next?

Location of the training:

- Denver (4 sessions if needed)
- Pueblo
- Grand Junction

Bob will give an overview during next CCIT meeting. Committee members that are present will critic presentation and further discuss and refine at next meeting.

Committee members need to review research on training models and growing your own contract managers for the next meeting.

Next meeting: November 16, 2007
